

Think of all the ways you use water everyday.  
Now don't think about it anymore.

## WE'VE GOT YOU COVERED.

Each of us uses an average of  
100 gallons of water per day.  
BCSS transports and treats all of  
your wastewater so you can  
use water with ease.

## BCSS Is Active In Our Communities

BCSS enjoyed participating in recent admirable fundraisers:

- The Haven's 12th Annual MMOR Parade on February 7
- Ecumenical Ministries 15th Annual Chili For Charity on February 28
- Heart for Athletes Ribs for Hearts on February 28

We hope you can come support these wonderful spring community events that we're sponsoring:

- Baldwin County Home & Product Show: March 7 & 8
- Rosinton School's Armadillo Dash: March 7
- Earth Day Mobile Bay: April 18
- Delta Woods & Water Expo Family Day: April 25
- Fairhope Rotary Steak Cook-off: May 8

Conveniently located away from the hustle and bustle on the western end of Gulf Shores, Alabama, The Beach Club is a family-focused resort offering everything needed for a perfect vacation. The full-service resort includes 86 acres with private beaches spanning the length of nearly five football fields. As owner/operator of the resort's amenities, Spectrum Resorts manages the majority of rental units at The Beach Club, with Spectrum guests enjoying access to all amenities, on-site check-in and concierge services. Accommodations range from quaint lakeside cottages to five-bedroom condominiums on the Gulf. Amenities include unique dining venues, six pools, fitness center, game room, tennis facility with lighted Rubico clay courts, a playground for children, shopping, activity programs for the entire family, and full-service spa and salon. Golfers enjoy a High Definition Golf™ simulator and world-class golf just one mile from the property. ## BCSS Customers Are Happy Customers!

Read what our happy customers have to say about our customer and on-site service below, plus many more...  
[www.baldwincountysewer.com/testimonials](http://www.baldwincountysewer.com/testimonials).

"Since starting my service with Baldwin County Sewer in 2012, I am happy to report that my system has worked fantastically and the customer service has been equally the same. Having a functional system with the ease of knowing you can call BCSS for service is well worth the monthly payment."

-Cheryl Amuzu

"Just wanted to say a gracious and humble "thanks" to Deb that assisted us last week when we had a problem with our vacation house! She went out of her way and handled our situation and we couldn't be more appreciative! She is an asset to your department!"

-Mark Worthington, Forney, TX
